Announcements

A sale order and supplement sheet will be available on sale day. Any announcements made on the auction block will take precedence over printed materials.

Welcome!

Thank you for your interest in our 2026 Fall Cow and Heifer Sale. This sale offering will consist of cow/calf pairs, fall and spring bred cows, and a few bred heifers. These cows are up to date on their vaccinations and received a booster vaccine of Vira Shield 6 and dewormer when they were processed at the sale. Cattle have been palpated by our sale vet the week of the sale and are guaranteed to be bred on sale day or sell with a calf at side.

Cattle have been grouped into as uniform groups as possible based on consignor, expected calving dates, and visual appearance at 3-6 head per group. Each group will be brought into the ring to sell and the winning bidder will have the option to take as many as they would like out of the group or can sweep the ring. Once the winning bidder has made his or her selection, we will open the bid back up until the next cut is sold and repeat until all the cattle have sold. Cattle can be loaded out as soon as the sale is over and, in many cases, we are able to start loading while the sale is going on as well. For those people that cannot pick up on sale day, cattle can stay in the barn overnight for no charge and can be picked up on Sunday. We will also have hauling options available if you need trucking for your purchases.

Thank you again! If we can do anything for you now or in the future, please let us know.

Sincerely, The Harward Family and Mid-Atlantic Cattle Sales

2026 MACS FALL COW SALE - SALE ORDER & UPDATES - PAGE 1
