

MAY COW & HEIFER SALE

at Stanly County Livestock Market

SATURDAY, MAY 30, 2026 AT 12:00 NOON

Cattle will come into the ring in groups according to the sale sheet. Buyer has choice to take how many they want from the pen or can sweep the ring. These are the updates to the best of our knowledge but all announcements made from the sale block will take precedence over printed material.

Location

Stanly County Livestock Market
13215 Indian Mound Rd. Norwood, NC 28128

Sale Day Contact Information

Marcus Harward • 704-322-0840
Brooke Harward • 704-322-9770
Catherine Edwards • 704-550-7920
Bruce Shankle • 704-694-8686
Sale Day Phone • 704-474-7683

Breeding Guarantees

Females have all been preg-checked and checked for reproductive soundness by a licensed veterinarian. Bred females are guaranteed to be bred on sale day unless otherwise listed or noted as exposed only. All females are up to date on vaccinations and dewormer.

Terms and Conditions

All animals will be sold at public auction on sale day to the highest bidder. The auctioneer will settle any dispute as to bids. The animal becomes the property of the winning bidder when the auctioneer says sold. The terms of the sale are cash or check.

Trucking

Truckers believed to be reliable will be available to assist you in shipping your purchases. Cattle may be delivered on Saturday, Sunday, or Monday so please specify with the office if you have an exact day you need cattle to be delivered.

Auctioneer

Charlie Ward

Announcements

A sale order and supplement sheet will be available on sale day. Any announcements made on the auction block will take precedence over printed materials.

Welcome!

Thank you for your interest in our May Cow and Heifer Sale. As we have continued to see cattle sell for record high prices this year, we believe this is the time to invest in cows that will work for you and give you a good return on investment. This sale offering will consist of cow/calf pairs, bred cows, and bred heifers. These cows are up to date on their vaccinations and received a booster vaccine of Vira-Shield 6 and dewormer when they were processed at the sale. Cattle have been palpated by our sale vet the week of the sale and are guaranteed to be bred on sale day, sell with a calf at side, or have been palpated for reproductive soundness.

Cattle have been grouped into as uniform groups as possible based on consignor, expected calving dates, and visual appearance at 2-6 head per group. Each group will be brought into the ring to sell and the winning bidder will have the option to take as many as they would like out of the group or can sweep the ring. Once the winning bidder has made his or her selection, we will open the bid back up until the next cut is sold and repeat until all the cattle have sold. Cattle can be loaded out as soon as the sale is over. For those people that cannot pick up on sale day, cattle can stay in the barn overnight for no charge and can be picked up on Sunday.

Thank you again! If we can do anything for you now or in the future, please let us know.

Sincerely, The Harward Family and Mid-Atlantic Cattle Sales

2026 MACS MAY FEMALE SALE - SALE ORDER & UPDATES - PAGE 1

BRED HEIFERS

These bred heifers are coming from consignors who have all done an excellent job getting these heifers ready to be productive, efficient, money-making cows for you for a long time. Unless listed, all of these heifers will be 2 year olds this coming fall and having their first calf.

ROCKY RIVER RANCH • All bred to calve mid-September and then turned out with Harward Sisters calving-ease Angus bulls.

LOGAN CATTLE COMPANY • Heifers were turned out with a Knoll Crest Farms Balancer bull starting on December 15th for 100 days.

SHEEK FARMS • Heifers bred to the calving-ease Angus bull HAF Dualthreat 9163 (Top 10% \$M, top 25% \$C). There are 2 three year-olds to sell as well.

2026 MACS MAY FEMALE SALE - SALE ORDER & UPDATES - PAGE 8

OPEN/EXPOSED HEIFERS

The following heifers are heifer mates to the bred heifers in the front of the sale order. These heifers have been running with bulls but are either too short bred to call bred or are open. These heifers have been palpated by the vet and are checked sound for reproductive status but are only selling as exposed, not confirmed bred or open.

CATCHING, HAULING, AND CATTLE WORK SERVICES AVAILABLE

MAC-VAC FEEDER CALVES

A marketing program available at both sale locations for vaccinated steers and heifers. Calves that meet vaccination requirements and have the sale tag in their ear will sell in the MAC-VAC portion of the sale at the beginning of the feeder calf sale each week. For more information, please visit www.norwoodfeeder calf.com or contact any of the numbers listed here.

Catching, hauling, and cattle work services:

For hauling services, contact Marcus at 704-322-0840.

If you need help working your cattle, contact Marcus Harward at 704-322-0840 or Chuck Doolittle at 704-221-1447 for more information.
