

SEPTEMBER SELECT

Bred Heifer Sale

SATURDAY, SEPTEMBER 19, 2026 AT 12:00 NOON EDT

Thank you for your interest in the 2026 September Select Heifer Sale. Cattle have been grouped into as uniform groups as possible based on consignor, expected calving dates, and visual appearance at 3-6 head per group. Each group will be brought into the ring to sell and the winning bidder will have the option to take as many as they would like out of the group or can sweep the ring. Once the winning bidder has made his or her selection, we will open the bid back up until the next cut is sold and repeat until all the cattle have sold.

Cattle can be loaded out as soon as the sale is over and, in many cases, we are able to start loading while the sale is going on as well. For those people that cannot pick up on sale day, cattle can stay in the barn overnight for no charge and can be picked up on Sunday. We will also have hauling options available if you need trucking for your purchases.

Thank you again! If we can do anything for you now or in the future, please let us know.
